

Al-Mustaqbal University College College of Engineering and Technology Biomedical Engineering Department Stage:4th Sub: Medical Measurements Lab2		 
Week	Laboratory Work	
1st	Introduction	
2nd	Review of important tools	
3rd	Review of important tools	
4th	ECG clinical, operating, circuits and troubleshooting	
5th	ECG clinical, operating, circuits and troubleshooting	
6th	ECG clinical, operating, circuits and troubleshooting	
7th	Electrosurgical unit, clinical, operating, circuits and troubleshooting	
8th	Electrosurgical unit, clinical, operating, circuits and troubleshooting	
9th	Exam	
10th	Ultrasound clinical, operating, circuits and troubleshooting	
11th	Ultrasound clinical, operating, circuits and troubleshooting	

12th	LAB equipment clinical, operating, circuits and troubleshooting
13th	LAB equipment clinical, operating, circuits and troubleshooting
14th	Spectrometer
15th	Exam
